There will be three (3) HOUR EXAMS *each* worth 100 points.

There will be a WRITING PROJECT worth 50 points and a FINAL EXAM worth 200 points. Thus there is a total of 550 points available in this course. Your GRADE will be based upon the total number of points that you earn on these five items.

The HOUR EXAMS will be announced at least one (1) week in advance.

The materials for the HOUR EXAMS and the FINAL EXAM will be based on the homework exercises AND the materials presented in class.

Some portions of the course involve routine, but tedious, arithmetical calculations. An inexpensive calculator is recommended.

The FINAL EXAM is scheduled for the following date and time

Tuesday, December 21, 8:00am – 11:00am.

NOTES: (1) NO CLASS on Tuesday, October 12 (Monday classes meet).

(2) CLASS on Wednesday, November 10. (3) NO CLASS on Thursday, November 11.
