SYLLABUS AND CALENDAR

The following calendar gives a timetable for the course and suggested practice problems from the text. These are suggested practice problems and not homework problems to be handed in. (Notation 7--12 means all problems beginning with 7 through and including 12.) There will be 2 HOUR EXAMS each worth 100 points. The FINAL EXAM will be worth 200 points. Your grade for the course will be based on your performance on the HOUR EXAMS and the FINAL EXAM. NOTE!! The FINAL EXAM is scheduled to be held in Lippitt 204 on Thursday, December 16 from 8 – 11 AM.

This syllabus may change if section numbers or homework numbers in our custom text (scheduled to arrive soon) are different than expected.
