

YOU ARE INVITED TO THE
16TH ANNUAL

URI Calc-Bowl

**Wednesday
April 1st, 2026
3:00pm to 5:30pm**

The URI Calc-Bowl is a lively playoff competition between teams to test the teams' math knowledge. Pre-calculus and calculus questions are presented in multiple-choice format.

There will be 10-12 teams consisting of three to five members. One multiple-choice problem will be presented at a time. The first team to buzz in gets to answer the problem. There will be several rounds of play and a final playoff round for first place.

- ◆ **High School Calculus Students are Welcome!**
- ◆ **Refreshments for all! Certificates and prizes for top places.**
